

Inspection pack - staff training & attestation records

The Copper Table · generated 23 Sep 2026, 22:08 UTC

Team compliance: 41% (11 of 27 applicable) - 9 staff, 3 live courses

frunt-verified completions were recorded at the moment the staff member passed the course in frunt. Externally certified entries are manager-attested records of valid training delivered before frunt. Document attestations confirm the staff member has read this venue's own document.
